About Us

Our Overview

VIVA Foundation is a non-profit organization dedicated to empowering vulnerable communities across Africa. Since 2017.

We have worked to bridge social and economic gaps by creating access to education, building community capacity, and promoting equality.

Key Achievements

Over the years, we have impacted lives through grassroots programs in education, women empowerment, and peacebuilding.

Our advocacy initiatives have given marginalized groups a stronger voice, while our community-driven projects continue to inspire resilience and lasting change.

Our Approach

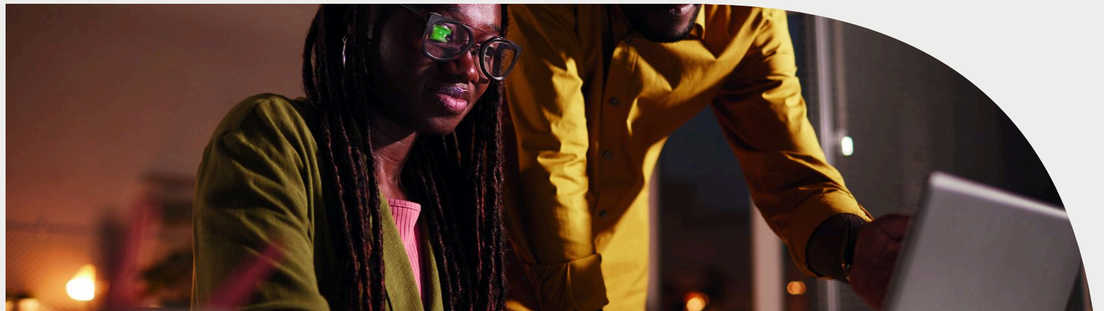

We believe that sustainable change requires a holistic approach that addresses immediate needs while investing in long-term resilience.

Our programs are designed to equip individuals and communities with the tools, knowledge, and confidence they need to break cycles of poverty and exclusion.

We integrate cross-cutting themes such as gender equity, youth participation, and climate resilience into all our initiatives.
